Most Original HP Cartridges have been engineered to contain recycled content and meet HP’s quality standards.

Ensure dependable, high-quality results at fast speeds, page after page. Original HP ink cartridges provide impressive reliability and standout results, so you’ll get the performance your HP printer or all-in-one was built to deliver.

Original HP ink cartridges are specially designed to work flawlessly with your HP printer or all-in-one. Easily replace cartridges and tackle high-volume print jobs with Original HP ink cartridges. Ensure unconditional performance and high-quality results at fast speeds with HP proprietary inks.

Print professional-quality color documents that combine outstanding color vibrancy with sharp black text. Original HP Ink Cartridges are designed for printing reliability and consistency.

Consistently produce professional-quality black text, using pigment inks designed for the office. Print sharp black text on a variety of papers—including ColorLok® papers—with Original HP ink cartridges. Print sharp black text on a variety of papers—including ColorLok® papers—with Original HP ink cartridges.

Stay productive and count on a great value for business printing, using Original HP ink cartridges. Print affordably with individual inks, and minimize interruptions with high-yield ink cartridge options.[1]

Print affordably with individual cartridges. Simply replace each cartridge separately, as needed. Print 2x more pages and replace cartridges less often, using Original HP high-yield ink cartridges.[2] Complete your page even with a low-ink-level cartridge.

Print with cartridges that are designed to conserve resources. Take advantage of easy recycling and minimal packaging to help reduce the time it takes to manage your environmental impact.

Easily recycle your Original HP cartridges at no charge through HP Planet Partners.[4] Through the Design for Environment program, HP engineers products to be energy efficient and recyclable. Conserve resources—Original HP ink cartridges are shipped in streamlined packaging.
